## Join the Christ Child Society of the Western Reserve for Make a Difference Day

VOLUNTEER | DONATE | PRAY

Join us as we "shower" newborns in need in Lake County, and celebrate the 150th birthday of our founder, Mary Virginia Merrick, with light refreshments.

We will be collecting baby gifts for Birthright Lake County and Nevaeh Ridge, which help expectant mothers and their families who are experiencing personal and financial difficulties. Current needs: newborn sleepers, onesies, newborn clothing, coats and socks, crib sheets, receiving blankets, bibs, plastic 8 oz. baby bottles, baby wipes and toiletries.

Together, we can make a difference. | #mdday @nationalchristchildsociety
